

Biodiversity related events around GB14

Title	Symposium "Water the problem, Water the solution" Ecology, Management and Governance of water bodies in the future.
Date	27 September
Location	"Fort Voordorp" near Utrecht
Organisation	The Netherlands Institute of Ecology (NIOO), a research institute of the Royal Netherlands Academy of Arts and Sciences (KNAW)
Info/contact	<a href="http://www.nioo.knaw.nl/lustrum/symposium.htm">http://www.nioo.knaw.nl/lustrum/symposium.htm</a>
Language	Dutch / English

Title	Symposium "Linnaeus 300 – Celebrating the future of his Science" International science symposium with speakers such as Quentin Wheeler, Paul Hebert, Kevin de Queiroz and Geerat Vermeij.
Date	1-2 October
Location	Royal Netherlands Academy of Arts and Sciences, Amsterdam
Organisation	Royal Netherlands Academy of Arts and Sciences (KNAW) in cooperation with the Swedish Embassy and the Linnaen Society of London
Info/contact	<a href="http://www.knaw.nl/cfddata/agenda/agenda_detail.cfm?agenda_id=1032">http://www.knaw.nl/cfddata/agenda/agenda_detail.cfm?agenda_id=1032</a>
Language	English

Title	Seminar "Linnean travel: transgressions and narratives"
Date	3-4 October
Location	University of Amsterdam, Amsterdam
Organisation	University of Amsterdam, Dept. of Scandinavian language- and literature studies
Info/contact	<a href="http://www.hum.uva.nl/linnaeus">www.hum.uva.nl/linnaeus</a>
Language	English

Title	Barcoding in Europe Meeting Meeting open to everybody, but it is at the same time an EDIT workshop.
-------	--

Date	3-5 October
Location	National Museum for Natural History “Naturalis”, Leiden
Organisation	NL-TAF (Dutch TAXonomic Facilities) & EDIT (European Distributed Institute of Taxonomy)
Info/contact	<a href="http://www.ecbol.org/index.php?page/programme">http://www.ecbol.org/index.php?page/programme</a>
Language	English

Title	“Bioscience Showtime” A jubilee congress of the Dutch Institute for Biology (NIBI).
Date	5 october
Location	Lunteren, Congres hotel “de Werelt”
Organisation	Dutch Institute for Biology (NIBI), in cooperation with the Royal Netherlands Academy of Arts and Sciences (KNAW) and many others
Info/contact	<a href="http://www.nibi.nl/">http://www.nibi.nl/</a>
Language	Dutch / English

Title	Workshop “Towards the GEO Biodiversity Observation Network” 2nd GEO Biodiversity Observation Network Workshop
Date	22-24 October
Location	Wageningen, Wageningen University and Research Centre (WUR)
Organisation	Wageningen University and Research Centre, sponsors: Wageningen University, GBIF, DIVERSITAS, GTOS and GEO
Info/contact	<a href="http://www.grs.wur.nl/UK/newsagenda/news/2nd_GEO_Biodiversity_Observation_Network_Workshop.htm?WBCMODE=PresentationUnpublished">http://www.grs.wur.nl/UK/newsagenda/news/2nd_GEO_Biodiversity_Observation_Network_Workshop.htm?WBCMODE=PresentationUnpublished</a>
Language	English

**Selection from the “Linnaeus Activity-Calendar”**

[http://www.swedenabroad.com/Page\\_53859.aspx](http://www.swedenabroad.com/Page_53859.aspx)

**Amsterdam**

Linnaeus met with many Dutch scientists during his visits to Amsterdam and he was noticeably impressed with what he was shown at the botanical gardens. The University of Amsterdam, the Botanical Gardens, the Artis Zoo, alongside the Zoological Museum will all be arranging different events to celebrate Linnaeus this year.

27 April - 30 September Hortus Botanicus Amsterdam

From April on an exposition on the impact of Linnaeus on botany and from July an exposition about Linnaeus and his (Amsterdam) peers. In June opening of the “Snippedaaltuin”, a reconstruction of the original medicinal plant garden of the Hortus. Many continues activities for adults and children.
