

GBIF Budget Committee document repository

The GBIF Secretariat keeps a record of all Budget Committee meetings and the agendas and supporting documents for each meeting.

The Secretariat has created a secure web repository where the documents are made available to the Budget Committee members. Only current members of the committee will have access to the documents.

To access the documents, please click on the relevant link, log in with your registered email address and assigned password. If you have forgotten your password, the system has a password retrieval function.
